Jerry Cornell

We are very honoured to provide the acknowledgment and the plaques for the three levels of the 2020/21 WCC Photographer Award. This award is now in its 16th year with the club. Some-time ago we decided that it was also very important to honour the Second and Third place High Scoring Photographers as in some cases there was only one or two points separating them and we wanted to acknowledge them as well.

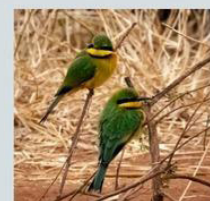

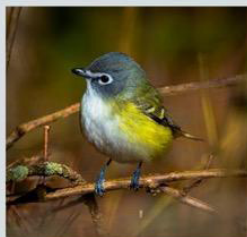

Congratulations once again to this year's winners and all who entered the contests. Due to the Woodstock Camera Club meetings being Zoom the plaques will be presented at a later date.

The Gala did not take place this year due to the Lockdown and therefore we were unable to get some winner's head-shots. We apologize.
